

Nursery Rhyme

Rub a Dub Dub

Rub a dub dub
Three men in a tub
And who do you think they be?
The butcher, the baker,
The candlestick maker,
Turn them out, knaves all three!

The three men in the tub were either running away or being punished by the king. All of the people in Noah's day were also being destroyed for their sins. Noah, however, was following God's commands and he and his family were being saved and sent out to start a new life under God's protection.
